Ashley H. set up a share point Dive Team folder. I propose we put all the pix in there, similar to Donna Canal.

I have an access request pending. Can someone go in and create a SJWP (Dec2015) folder?

Also, I did not find the cuff black O-rings in Wednesday's trash bag.

Y'all –

Is there any way we can get some photos of the EPA Dive Team in action next week? It would make great fodder for our social media pages and a good entry point to the site page.

EPA R6 DIVE TEAM: The EPA R6 Dive Team, with assistance from the ERT Dive Team, will complete phase 1 (underwater cap survey) of the San

Jacinto Waste Pits Dive Operation the week of December 7. **(Crossland, x2721)**
